

The Misfit's Manifesto (Hardback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE MISFIT'S MANIFESTO (HARDBACK)

Simon & Schuster Ltd, United Kingdom, 2017. Hardback. Condition: New. Language: English. Brand new Book. 'If the road you came in on led through several hells and you walked it more alone than you'd ever want anyone to be, if you were a wolf who chewed off her own leg to escape where you started out, if you paved the road with broken things and crawled in on your knees, this is your book, full of your people. Welcome home.' REBECCA SOLNIT, author of *Men Explain Things to Me* 'Quite frankly, everyone should read *The Misfit's Manifesto*. Inspired by her TED talk, Yuknavitch (who has truly been through the worst life can throw at someone) argues that the things which mark you out as different don't need to be bad thing: they're what make you, you. She's a privilege to read.' *Emerald Street* 'It's filled with stories of how our differences might unite us rather than divide us. We could use the misfit know-how just now, as the world has become pretty chaotic.' *Metro* A manifesto that makes a powerful case for not fitting in - for recognizing the beauty, and difficulty, in forging an original path from Lidia Yuknavitch, one of the most celebrated TED speakers and a writer heralded for her brave and experimental writing. A misfit is a person who missed fitting in, a person who fits in badly, or this: a person who is poorly adapted to new situations and environments. It's a shameful word, a word no one typically tries to own. Until now. Lidia Yuknavitch is a proud misfit. That wasn't always the case. It took Lidia a long time to not simply accept, but appreciate, her misfit status. Having flunked out of college twice, with two epic divorces under her belt, an episode...
